Make Mine Chocolate!™

Before you bring a pet rabbit into your home at Easter, please consider these facts:

- **Rabbits are NOT low-maintenance pets! They require as much work as a dog or cat.**
- **Rabbits can live 8 to 10 years, sometimes longer.**
- **The necessary spay or neuter can cost \$100 or more, and rabbits require routine veterinary care.**
- **Rabbits are not cuddly — they can become frightened when held!**
- **Pet rabbits cannot be set “free” — it’s a death sentence.**

This Easter, why not make it a **CHOCOLATE** bunny
or a cuddly stuffed toy instead?

Let’s make it a Happy Easter for bunnies, too.

Help spread the word that rabbits are NOT disposable pets.
