Public email: info@rabbitnetwork.org

We are a non-profit specializing in rabbit adoption and education. If you have clients with behavior and care questions about their rabbits, please feel free to refer them to us. There are over 80 articles on rabbit care on our web site at: <http://www.rabbitnetwork.org/articles/>
Articles may be reprinted and handed out provided the entire article is printed out intact, with credits to HRN and the author(s).

We also have rabbits available for adoption in Massachusetts, New Hampshire and Vermont. All of our rabbits are spayed/neutered and vet checked before being placed into good, indoor homes.
